a multiplying movement of disciples and churches

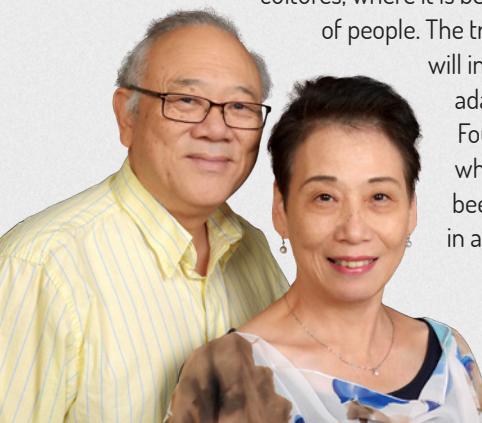

## FOUR FIELDS/T4T BASIC TRAINING WOLLONGONG/SYDNEY

### ABOUT OUR TRAINERS

**Ying and Grace Kai** are the visionary Chinese-American pastors, missionaries, and church planters whom God used to launch one of the most dynamic church planting movements in the world today. This movement is called Training for Trainers or T4T.

Ying and Grace currently serve as directors of T4T global missions. As the founders of T4T, they are constantly training trainers around the world and have catalysed growing multi-generational networks of disciples.

Today T4T is being adapted in a variety of countries and cultures, where it is being used to reach millions of people. The training in the Illawarra will include some of these adaptations from the local Four Fields training team who along with others have been applying T4T principles in an Australian context.

### WHAT IS T4T?

T4T IS AN ACRONYM FOR TRAINING FOR TRAINERS. It is a process of Discipleship, Evangelism, Group/Church Formation, and Leadership Development that was developed by missionaries Ying & Grace Kai during their time in China. The results of implementing this process led to phenomenal growth of new disciples and church plants throughout the entire region and has sparked Church Planting Movements world-wide.

Unlike traditional discipleship programs, we believe that new Christians should be trained to "get on mission" immediately. We do NOT believe that new Christians must accumulate lots of knowledge before they can begin to reach out to their lost friends and family. We refer to this as OBEDIENCE-BASED discipleship in contrast to KNOWLEDGE-BASED discipleship.

### THE BASIC LEVEL TRAINING INCLUDES:

1. Obey and follow Jesus' Great Commission.
2. Understand the Heavenly Father's heart.
3. Work through the power of the Holy Spirit.
4. The kingdom worker.
5. Four Fields Gospel Sharing and Overview
6. T4T process.
7. Trainer's life engineering
